KENT COUNTY PLAYING FIELDS ASSOCIATION

Supporting Young People In Sport

Thank you for your enquiry regarding the award of grants under the above scheme.

The Kent County Playing Fields Association launched the above award scheme in 1998 and continue to accept applications for financial assistance from young cricketers, male and female, in Kent towards the net cost of expenses falling within the following criteria:

- The assistance should be for the sporting benefit of young cricketers of lesser means and opportunities so that more young people would be encouraged to actively participate in the sport.
- The benefits to the participants should be quantifiable.
- The assistance may include the provision of personal coaching, training, travel or accommodation and portable sporting equipment for the benefit of the applicant only.
- The applicant should provide a statement of attainment and preferably be at county standard in their respective sport and should ideally be recommended by Kent Cricket (Area Cricket Programme) or by the senior teacher /coach of the school/ club they are affiliated /members of.
- Successful applicants would be expected to endorse the KCPFA. The conditions are not onerous but do ask that a representative of the Association be invited to any event, that support from the Association is acknowledged in any publicity material and press releases, and that following an event; a photograph is sent to the Association with a short report on the activities.

The maximum award will be £300 and payable to the applicant following a successful request and application process unless a request for payment, or part payment, in advance is approved by the Association.

Applications will be accepted throughout the year and awards made quarterly

I look forward to receiving your completed application form.
